

CSHCS Info #33 – Retroactive Coverage for Transportation Assistance has Changed  
Wed 12/16/2015 2:50 PM

Hello Colleagues,

CSHCS has changed how far back we will assist families with transportation costs when the family receives retroactive CSHCS coverage. Historically, CSHCS covered transportation assistance retroactively only up to the standard 90 days required for enrolled CSHCS clients. Retroactive financial transportation assistance now matches the time period that CSHCS has also gone retroactive. An example is that if the retroactive CSHCS coverage is extended back by 6 months, then the transportation assistance is also available (when applicable) up to that same 6 month period. The 90 day submission requirement is still in effect for those already on the program. This change is only applicable to new enrollees with retroactive coverage. The change will benefit families in that they will have access to all CSHCS services for the retroactive coverage and will simplify CSHCS rules.
